# International Quilt and Textile Art in Rüdesheim/Rhine

Together with Patchwork Gilde Deutschland we are looking forward to presenting the Patchworktage 2011 in Rüdesheim/Rhine. In addition to a wide choice of workshops and numerous quilt exhibitions we will offer a large market with the latest sewing and quilting machines, fabrics, threads, embellishments and accessories.

**The market** with many stalls as well as the workshops and the free Patch-Kids workshop take place in the Hildegardisschule and its two gymnasiums.

## Quilts in the Shop Windows

Many shops, hotels and institutions will take part in the planned activities.

## “Tradition bis Moderne IX” Competition, 26 May to 14 June 2011

This TRAVELLING EXHIBITION of juried quilts will start in the cloister of the Kloster Johannisberg hotel in the Rheingau district – an area with a rich tradition of wine growing – and will be opened on 29 May 2011. The hotel is situated on a mountain overlooking the Rhine and surrounded by vineyards.

## Other exhibitions

Rüdesheim Town Hall and Hildegardisschule

## Workshops

In cooperation with Patchwork Gilde Deutschland we will be offering an interesting programme of workshops (reduced fees for members of Patchwork Gilde Deutschland).

## A Wide Variety of Fringe Activities

Rüdesheim attracts tourists from near and far. We offer our visitors bus tours to abbeys, castles and other tourist attractions worth visiting. Relax after a visit to the Patchworktage, hop on the bus and enjoy the romantic Rhine region.

For your **Children** and partner, too, we offer a varied programme of entertainment. Spend your Pentecost holiday in Rüdesheim!

In the evening Rüdesheim restaurants and pubs will welcome quilters for a friendly get-together and to share experiences over “Weck, Worscht und Woi” (bread, sausages and wine).
